Please note that as a non-Accredited Investor, you have access to a limited range of funds as compared to those that are available for an Accredited Investor.

A joint policyholder who is otherwise individually not eligible for Accredited Investor status is allowed by law to be treated as an Accredited Investor if the other policyholder is an Accredited Investor.

Please tick the box(es) below only if you wish to opt in:-

**Second Applicant**

(applicable for joint policyholders only)

### Replacement of life policies

- 1 Do the policyholder have any existing life insurance policy(ies) with Friends Provident International or any other financial institutions? Yes  No

If Yes, please complete the following table.

Name of company	Country of insurance	Type of policy	Sum assured	Year issued

- 2 Is this proposal intended to replace any policies with any financial institutions including Friends Provident International? Yes  No

If Yes, please complete the following table.

Name of company	Country of insurance	Type of policy	Sum assured	Year issued

**Warning:** It is usually disadvantageous to replace an existing life insurance policy or investment-linked life insurance policy with a new one. Some of the disadvantages are:

- i) You may not be insurable on standard terms or may have to pay a higher premium in view of older age or the financial benefits accumulated over the years may be lost.
- ii) You may incur penalties for terminating the existing policy.
- iii) You may incur transaction costs without gaining any real benefit from the replacement.

In your own interest, we would advise that you consult your present insurer before making a financial decision, hear from both sides and make a careful comparison. You can then be sure that you are making a decision that is in your best interest.

The policy is underwritten by Friends Provident International and will be entered in the register of Singapore policies.

## Declarations

### Important notes

- A specimen policy document and/or copy of this completed form are available on request.
- You are advised to satisfy yourself/selves that, under any taxation, exchange control or insurance legislation to which you may be subject, you are permitted to effect the policy.
- You should seek guidance from your financial adviser as to the suitability of the policy to your own particular circumstances. Global Portfolio should be regarded as a medium to long-term investment.
- Each policy is governed by and shall be construed in accordance with the laws of Singapore.
- Investment acknowledgement**  
Global Portfolio gives you an investment choice from a very wide-ranging menu of investments. Some of the funds which are available to you are aimed at Accredited Investors. If you were investing in such a fund directly yourself, rather than through your Global Portfolio policy, you may have to declare that:
  - You have read and understood the information supplied to you and understand the nature of any risks involved.
  - You have discussed with your financial adviser whether such an asset is appropriate to your investment portfolio.
- Liquidity information**  
Some funds may have restrictions on their ability to pay redemptions due to the type of underlying investments they hold. This could limit your ability to raise cash from the fund in the future.  
Investment into non-Accredited and Accredited funds should be considered a long-term investment. You, in conjunction with your financial adviser, should consider the amount you invest via your policy if it is likely that you will need access to your capital quickly in the future.

## Declarations

Attention is drawn to the following declarations. If the application form requests information which has to be assessed by Friends Provident International before acceptance, you must disclose all facts which are material. If you are in doubt as to the relevance of any particular information you should disclose it, as failure to do so could result in you being quoted the wrong terms, a claim being rejected or reduced, or the Global Portfolio policy being invalid.
